

2025 All Star Colts Sponsorship Package

The Kingston Baseball Association is dedicated to providing a safe, inclusive environment where athletes aged 4 to 16 can enjoy playing baseball, learn essential skills, and grow as individuals. We offer a wide range of opportunities for young athletes to develop their passion for the game, and we are proud to field 5 advanced-level All-Star teams. These teams will compete in Little League Ontario, as well as in national and international programs. They will represent our community in tournaments and games across Ontario, Canada, and even the Northern USA.

As we continue to foster growth in these young athletes, we are reaching out to local businesses for support. We offer several sponsorship opportunities to help offset the costs associated with our teams' travel, equipment, and tournament fees. Your partnership would make a significant impact and contribute to the continued success of our players and their experiences in the sport.
